

LETTER FROM MEMBERSHIP DIRECTOR LOCAL FEDERATION 2343

I want to introduce myself. I am the Membership Director for our union, Local Federation 2343. I hope each of you will consider joining the union so that your voice is heard and represented.

Why Join the Union?

There are several reasons to join the union, the most important is that we as a union are here to support you. Working in unison with Education Minnesota gives educators the strength to make meaningful improvements for students, our profession, public education, and our communities. We are powerful when we have a collective voice. We have legal supports if something happens when it is needed (issues with students/parents, coworkers, etc.).

Where Do My Dues Go?

Advocate for your Career
Voice for Public Education
Professional Growth
Champion for our Students and Community

If you would like to join or have any questions, please reach out to me.
Return completed applications to me via interoffice mail.

Thank you,

Patricia Larson
